## WHAT IT MEANS

**Would require North Carolinians voting by mail to include a copy of their photo ID.**

**ALL VOTERS** using Photo ID Exception Form are at greater risk of having their ballots rejected.

**MILITARY** voters can't photocopy their military ID (it's illegal) and have limited access to photocopiers during deployment.

**SENIORS** may have limited access to photocopiers.

**RELIGIOUS OBJECTIONS** or **DISABILITIES** that prevent a voter from getting an ID wouldn't be protected.

**Would cap the income tax rate at 3.5%, locking in recent tax cuts for the highest earners.**

**AVERAGE FAMILIES** will see increased fines and fees for services, which will likely eliminate any savings.

**LOCAL GOVERNMENTS** would lose \$18 billion per year in state funding and would struggle to fund community needs.

**SCHOOLS'** budgets would shrink, cutting teacher pay and student services.

**PUBLIC HEALTH, SAFETY, and EMERGENCY SERVICES** would be cut due to funding shortages.

**Restricts local governments' power to decide property-tax rates.**

**FAMILIES AND COMMUNITIES** would see more fines, fees, and reduced services for education, libraries, elections, public transportation, and emergency medical services.

**RENTERS** do not benefit from property tax cuts.

**COUNTIES** would lose significant funding and local leaders would struggle to fund the critical needs of the community.

**COMMERCIAL REAL ESTATE DEVELOPERS**, many of whom live out of state, would receive a large financial benefit.
